Legend

B: Width in mm; L: Length in mm; H: Height in mm; P_{max}: max. Load in kN

PohlCon Benelux Cable Support | info@pohlconbenelux.com | www.pohlconbenelux.com

All R and RG cable trays including accessories are available in heights of 35, 60, 85 and 110 mm.

Please always observe the support distance in conjunction with the load-bearing capacity of the cable trays and the correct choice of dowels!

We recommend to order the KHUSS support pieces and the screws for fastening the brackets to the U-shaped at the same time.
